

YOU CAN DREAM AND DESIGN WITH COMPLETE PEACE OF MIND.

TAKE COMFORT IN A-SERIES, OUR HIGHEST-PERFORMING WINDOWS AND DOORS.

From energy efficiency and ease of maintenance to long-term* durability, Andersen® A-Series windows and doors are the highest-performing products Andersen makes. So when you choose A-Series products for their beauty, styling and customization, rest assured you're not sacrificing performance — just the opposite. You're getting our very best.

Andersen A-Series windows and doors meet **ENERGY STAR**® performance requirements in all 50 states. Andersen has won several ENERGY STAR awards, including Manufacturer Ally of the Year and National Window Partner of the Year.

Andersen is a charter member of the **U.S. Green Building Council** and a strong supporter of its LEED® (Leadership in Energy and Environmental Design) Green Building Rating System.

Andersen was the first window and door manufacturer with **Green Seal certified** products.

A-SERIES WINDOW & DOOR SYSTEM

ENGINEERED WITH
FIBREX®

Enjoy your windows
for years to come.*

At Andersen, we use the right materials in the right places. And that means we use Fibrex® material in special places in our windows and doors to provide **strength, insulation, stability and long-term beauty**. Fibrex composite material contains 40% preconsumer reclaimed wood fiber by weight.

EcoExcel™
Energy Performance Package

Get the ultimate
in energy efficiency.

Our EcoExcel™ Energy Performance Package gives you **our optimal-performing windows and patio doors**, without having to choose expensive upgrades.

Save on heating
and cooling.

High performance is the standard with A-Series windows and doors. You can **cut heating and cooling bills by up to 25%****

MORE CHOICES. MORE STYLE. INSIDE AND OUT.

INTERIOR OPTIONS

EXTERIOR OPTIONS

Grilles: Patterns from simple and elegant to custom and elaborate can complete your window style.

Hardware: Get the look you want and the solid operation you demand with our extensive hardware selection. Tilt in for easy cleaning.

Interior wood species: Select from the rich grain of natural pine, oak or maple for the window or door interior.

Interior finishes: A-Series windows and doors offer six different factory stains, two paint choices or a primed finish to complement any look.

Trim styles: You can add a special design touch with our extensive trim styles. **p. 6**

Low maintenance saves you time.

Your A-Series windows and doors **will not flake, rot, blister, peel, pit or corrode**, thanks to our long-lasting* exterior materials and finishes. So you'll never need to paint.

Colors: With 11 different colors, you can mix and match design colors on sash, frame and trim to achieve hundreds of options.

High-Performance™ glass is standard on A-Series.

Our High-Performance™ Low-E4® glass virtually **eliminates water spots and stays cleaner longer.**** Plus it cuts your energy bills and reduces sound. Choose from three options, including Low-E4® SmartSun™ glass, which rejects unwanted solar heat while allowing the sunlight to stream through; and Sun glass, which neutralizes glare.

owner2owner™
LIMITED WARRANTY

Get peace of mind.

Our renowned Owner-2-Owner® limited warranty is **fully transferrable** and not prorated.* And it's supported by one of the **largest service networks** in the industry.

TruScene®
Insect Screen

Appreciate your view.

Our TruScene® insect screens give you **50% more clarity** than our aluminum ones so you can really enjoy your view. Plus they're made with stainless steel for extra strength and durability.

Take comfort in superior
weather resistance.

Our weather-resistant construction **seals out drafts and water** so well, it withstands up to eight inches of rain per hour and hurricane-level wind speeds.

DESIGNS INSPIRED BY TRADITIONAL STYLES.

Achieving the look, style and era you want is easy with Andersen® A-Series windows and doors. Whatever architectural style you're trying to attain — from Colonial to Prairie to Tudor and more — A-Series windows and doors have the range of options to help you accomplish it. Just let your imagination be your guide. Visit www.andersenwindows.com/A-Series to see more style inspiration.

These printed replications of wood are for reference only. Actual wood products from Andersen are subject to variation in grain and color. Printing limitations may prevent exact color duplication of pre-painted interiors.

PATTERNED GLASS OPTIONS

Patterned glass can be specified in all High-Performance™ Low-E4® glass options.

Obscure Cascade Reed Fern

**Patio Door Art Glass
“between-the-glass”**

A-Series patio doors are available with between-the-glass art glass, which places a decorative panel between the insulating glass panes on doors, sidelights and transoms. This provides superior protection for the art glass and makes it easier to clean and maintain. Choose from 13 designs and customize them with colors to match your home and style.
