

JELD-WEN is proud to offer a true craftsman style door with flat panels and square sticking. Our Craftsman doors reflect the clean, unadorned, aesthetically balanced design created over a century ago. These doors are the perfect choice for traditional homes. Their clean, geometric lines also make them increasingly popular with contemporary style homes.

- All other sizes available special order
- Solid core available special order
- Smooth, primed surface that is ready to paint, so you can easily match any color scheme
- Beautiful clean lines reflect the skilled craftsmanship found in traditional wood doors
- Deeply recessed, flat panels and square sticking profiles for an authentic Craftsman look
