

Marvin Windows and Doors is part of The Marvin Companies, a family of window and door brands offering best-in-class solutions to meet the needs of the residential, replacement and commercial markets.

Marvin Windows and Doors is a premier manufacturer of made-to-order wood windows.

Marvin's low-maintenance, clad-wood products feature an extruded aluminum exterior and commercial-grade paint that resists fading and chalking.

The company's Built around you™ philosophy enables Marvin to offer the industry's most extensive selection of shapes, styles, sizes and options, including custom divided lites, clad casings, specialty woods and designer door hardware.

Whether you're creating something new or restoring something old, Marvin is known for its ability to meet architectural design and performance challenges with innovative, one-of-a-kind products and solutions.

To learn more about Marvin window and door products, visit [www.Marvin.com](http://www.Marvin.com).

Integrity Windows and Doors is the world's largest manufacturer of windows and doors made with Ultrex®—a highly-durable, virtually maintenance free state-of-the-art pultruded fiberglass material that outperforms vinyl and roll-form aluminum.

Integrity offers a complete line of standard-sized window and door options that are Energy Star qualified. Choose from Integrity's All-Ultrex or Wood-Ultrex series, featuring wood interiors and Ultrex exteriors.

Based in Fargo, North Dakota, Integrity products are Built to perform and backed by first-class customer service.

## THERE IS HISTORY IN EVERY DETAIL.

Classic touches are what make older home designs beautiful. With Marvin windows and doors, you can remodel a historic home and match every original classic detail, while benefitting from improved efficiency, and state-of-the-art functionality. Capture the period of any home with endless options for hardware, divided lites, glass, ogee lugs, exterior clad and more.

### ARCHITECTURAL HARDWARE For more options visit [www.marvin.com](http://www.marvin.com).

### CLAD CASINGS & SUBSILLS

When it comes to design, clad casings and subsills add the details, color and texture to windows and doors that help make your vision come to life. Marvin's 19 clad colors, 9 casing profiles and 6 subsill options give you the flexibility to express your personal style.

- You can choose from a wide array of clad colors, or we can create a custom color that springs from your imagination.

- Add exterior clad casing to Marvin windows and doors to enhance your home's architectural detail. These casings provide the look of wood but are a durable, low maintenance alternative.
- Tying it all together, Marvin has a wide selection of subsills to complement your choice of casing.

Marvin offers you choices to replicate virtually any look and match the historic integrity of the home.

### OGEE LUGS

Ogee lugs are available for both wood and clad-wood windows, and can be added to the exterior of the top sash at the bottom rail. They are perfect for adding a historic detail to renovations and new construction.

These are only a few designs for divided lites. Please see options section or [www.marvin.com](http://www.marvin.com) for more possibilities.
